### About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. All data are reported for the 2012-13 school-year, unless otherwise indicated. For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/). For additional information about this school, please contact the school administration at (916) 933-6618.

### School Description

#### Principal's Message

At William Brooks School (K-5), we provide a strong academic program, which challenges and supports student learning. We encourage students to develop leadership skills and responsibility, to seek lifelong learning, to cooperate with others, and to provide community service. Students are also encouraged to actively participate in school activities such as cross-country running, clubs, Talent Show, and band. School attendance is promoted through regular spirit days, Red Ribbon Week activities, and annual curriculum-based special events in all grade levels.

We are extremely proud of the educational program at William Brooks because it works well for students and their families. Our beautiful computer lab, the latest technology in all of our classrooms, and our reading intervention programs Accelerated Reader, "BEAR Tracks" and "Rewards" are some of what supports our solid educational program. Our teachers strive to stay up to date with strategies in their classrooms that engage 100% of their students. Our staff takes pride in their ability to meet the needs of all levels of learners. A primary reason for our success is the high degree of parent involvement and support. Many parents donate their time and resources each day. The Parent Teacher Association (P.T.A.) is very active in planning and carrying out events, enrichment activities, and fund raising. P.T.A. support has supplemented the school site budget by providing funds for Chromebooks, classroom materials, P.E. equipment, library books, and assemblies. Parents serving on the School Site Council are actively involved with staff in reviewing curriculum and recommending improvement actions for the school program. Parent participation and support is a strength and asset to our school.

#### School Profile

William Brooks Elementary School is one of six elementary schools, including a Charter Montessori located on the Blue Oak campus, and two middle schools in the Buckeye Union School District. The district was established in 1858 and currently serves the communities of Shingle Springs, Cameron Park and El Dorado Hills in El Dorado County.

During the 2012-13 school year, 497 Kindergarten through fifth grade students were enrolled at the school, with classes arranged on a traditional schedule.

## Opportunities for Parental Involvement

William Brooks Elementary greatly benefits from its supportive parents who volunteer in the PTA, Garden of Learning Club, Art Docent Program, as well as tutoring and classroom help. Our parents also act as chaperones making it possible for our 4th and 5th grade students to have overnight fieldtrips to Coloma and Redwood Alliance. William Brooks is involved with several community partnerships, including PC Pals, a pen-pal program run by the Intel Corporation, and the local Rotary who sponsors the Student of the Year award.

### Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact William Brooks Elementary at (916) 933-6618.

For more information on the Buckeye School District, contact the Superintendent, Dr. David Roth, or the Assistant Superintendent, Gabrielle Marchini, at (530) 677-2261 or (916) 985-2183.

## School Safety Plan

This section provides information about the school's comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan.

Safety of students and staff is a primary concern of William Brooks Elementary. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan was last reviewed and updated in October 2013 by the School Safety Committee and approved by the School Site Council.

The plan addresses the following:

- ingress/egress of pupils
- fire/earthquake/other evacuation procedures
- emotional safety through bullying prevention

All revisions were communicated to both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a monthly basis throughout the school year. Lockdown drills are held each trimester. Students are supervised before, after school, during lunch and break periods, by assigned yard duties and teachers. There is a designated area for student drop off and pick up. Visitors must sign-in and receive a pass before entering campus.

\* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment (and multiplying by 100).

### School Facility Conditions and Planned Improvements (School Year 2013-14)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- The year and month in which the data were collected
- Description of any needed maintenance to ensure good repair

**Year and month in which data were collected:** 02/27/2013

The Buckeye Union School District is proud of the facilities that are provided for students and families. Each year parent surveys indicate that they are pleased with the condition of the schools. In the most recent parent survey, 97.5% of parents indicated that the district schools were clean and well-maintained.

William Brooks Elementary School was originally constructed in 1969 and is comprised of 25 permanent classrooms, one gymnasium, one library, one staff lounge, one computer lab, and two playgrounds, as the Kindergarten classes have their own. In 2009, Measure K allowed for extensive remodeling, resulting in: a new computer lab, Kindergarten complex, a wing of six classrooms, Promethean Boards in each classroom, added kitchen and updates to the gym. While reviewing this report, please note that even minor discrepancies are reported in the facility inspection process. The items noted in the table have been corrected or are in the process of remediation.

#### Cleaning Process

The principal works daily with a staff of two full-time and four part-time custodians to ensure a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office for review.

#### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure that efficient service and highest priority are given to emergency repairs.

#### Deferred Maintenance Budget

During the recent economic crisis the State suspended their matching grant obligation to District's participating in the deferred maintenance program. District's were no longer required to match local funds with the grant, and District's were no longer required to spend the grant on deferred maintenance projects. While the district is no longer matching the grant amount, the BUSD Board of Trustee's acted to keep whatever grant proceeds received dedicated to the deferred maintenance projects in the district. While the budget has been reduced by 50% the district is still operating the program to maintain its facilities.

### School Facility Good Repair Status (School Year 2013-14)

### Professional Development

This section provides information on the number of days provided for professional development and continuous professional growth in the most recent three year period.

As part of the growth process, opportunities for training and staff development are provided at both the district and individual school sites to administrators, teachers, and classified staff. The district offers two staff development days annually, where staff members are offered growth opportunities in curriculum, teaching strategies, and methodologies.

The 2012-2013 staff development focus included: A focus on the Common Core State Standards and Writing, differentiated Instruction to meet the needs of a variety of learners in the classroom, use of technology in the classroom, review of data related to state and district level assessments, strategies for 100% student engagement and other topics as they arise based on site goals for the school year.

### Core Academic Classes Taught by Highly Qualified Teachers

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* webpage at: [www.cde.ca.gov/nclb/sr/tq/](http://www.cde.ca.gov/nclb/sr/tq/)

### Types of Services Funded (Fiscal Year 2012-13)

This section provides specific information about the types of programs and services available at the school that support and assists students. For example, this narrative may include information about supplemental educational services related to the school's federal Program Improvement (PI) status.

In addition to general state funding, Buckeye Union School District receives state and federal funding for the following categorical funds and other support programs:

- Special Education
- Economic Impact Aid
- Title I
- Title II
- Title III
- Home to School Transportation
- English Language Acquisition Program
- Lottery
- K-3 Class Size Reduction

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2013-14)**

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instruction materials for each student; and information about the school’s use of any supplemental curriculum or non-adopted textbooks or instructional materials.

**Year and month in which data were collected:** September 2013

Buckeye Union School District held a public hearing on the fourth of September 2013, and determined that each school within the District had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Language Learners (ELL), are provided their own individual standards-aligned textbooks or instructional materials, or both, in core subjects as well as foreign language for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the District office prior to adoption. The table displays information collected in August 2013 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

<b>History-Social Science</b>	Harcourt School Publishers (K-3) Adopted in 2007	
The textbooks listed are from most recent adoption:	Yes	
Percent of students lacking their own assigned textbook:	0	Scott Foresman (4th-5th) Adopted in 2006

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- **California Standards Tests (CSTs)**, which include English-language arts (ELA) and mathematics (Math) in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science (H-SS) in grades eight, and nine through eleven.
- **California Modified Assessment (CMA)**, an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- **California Alternate Performance Assessment (CAPA)**, includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the Percent of Students not tested, see the CDE STAR Results Web site at [star.cde.ca.gov](http://star.cde.ca.gov).

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

#### California Physical Fitness Test Results

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the Percent of Students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE PFT webpage at [www.cde.ca.gov/ta/tg/pf/](http://www.cde.ca.gov/ta/tg/pf/).

Grade Level	Percent of Students Meeting Fitness Standards

5	7.0	23.0	56.0

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest webpage at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

### Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE API webpage at [www.cde.ca.gov/ta/ac/ap/](http://www.cde.ca.gov/ta/ac/ap/).

API Growth by Student Group – Three-Year Comparison			
Group	Actual API Change		
	10-11	11-12	12-13
All Students at the School	6	-9	26
Black or African American			
American Indian or Alaska Native

Filipino			
Hispanic or Latino			
Native Hawaiian/Pacific Islander			
White	0	3	27
Two or More Races			
Socioeconomically Disadvantaged			
English Learners			
Students with Disabilities			

### Academic Performance Index Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The **statewide API rank** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state. The **similar schools API rank** reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

Academic Performance Index Ranks - Three-Year Comparison			
API Rank	2010	2011	2012
Statewide	9	9	9
Similar Schools	5	6	4

### Federal Intervention Program (School Year 2013-14)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations webpage: [www.cde.ca.gov/ta/ac/ay/tidetermine.asp](http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp).

### Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, can be found at the CDE Adequate Yearly Progress (AYP) webpage at [www.cde.ca.gov/ta/ac/ay/](http://www.cde.ca.gov/ta/ac/ay/).
