California Department of Education School Accountability Report Card Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Mr. Brad Craycroft, Principal

Principal, Leland High

About Our School

Leland is a nationally recognized school with a distinguished record in academics and athletics. The many accolades earned by the school include a Newsweek ranking of #54 among America's top high schools, a US News ranking of #26 among high school STEM programs in the nation, and a Business Insider ranking of #20 in the nation for the highest average SAT/ACT scores. Leland's academic program boasts more AP, Honors, and Accelerated courses than any high school within the district. Rigorous academic expectations, motivated students, and a highly qualified staff have helped Leland maintain high API scores and a 90% school-wide pass rate in AP courses. A diverse student body that speaks over 30 different languages adds to the school's demographic richness. Leland provides unique opportunities to students in the field of communications. The school's Speech & Debate program is ranked number one in the nation. The Journalism program has won top national awards. Real world engineering experience is provided through Computer Science, Robotics and PLTW courses while partnerships with Strive San Jose and NextFlex connect Leland students with local companies. The school provides students access to several college-level courses in math and world languages through its partnership with the local community college system. Leland's athletic program holds a record 52 CCS championships and is the six-time recipient of the Blossom Valley Athletic League's "Best of the Best" award. Leland's mission is to prepare all students with 21st century skills necessary to compete in a global economy.

School Description and Mission Statement (School Year 2017-18)

Leland High School is a comprehensive high school with an established tradition of academic, athletic, and extracurricular excellence. Established in 1967 and having just celebrated its 50th anniversary, Leland has grown from a school originally build for less than six hundred students to a campus that serves approximately nineteen hundred. Leland and its students have been awarded many honors for academic achievement. In 2014, US News ranked Leland's STEM program #26 in the nation and 54th overall in recognition of our high school graduation rate, high level of college readiness and college attendance among our students. More recently, last year 1 student was named "Finalist", 33 were named "Semi Finalist", and 60 were "Commended" by the National Merit Scholarship Program. Leland's Robotics Team Quixilver 604 earned the 2017 FRC Silicon Valley Regional "Winner" and "Entrepreneurship Award" and finished in fourth place overall last Spring in Houston in the national competition. Our newspaper, *The Charger Account*, continues to be honored. In 2016 and 2017 they were awarded the Columbia Scholastic Press Association Gold Medalist and the American Scholastic Press Association Most Outstanding High School Newspaper. Speech and Debate has been ranked in the top 5 in the nation since 1992 by the National Forensic League in Speech and Debate. Leland Orchestra received a unanimous Superior in the 2017 CMEA Music Festival. In addition to the achievement in academics, Leland maintains a competitive athletics program. Four different teams have won CCS championships in the last three years. Our Associated Student Body consistently supports and experiences high level of participation in various clubs and activities providing an outlet for student interests beyond the classroom and athletics. Leland High School is committed to preparing today's students to be thinkers, leaders, and creators of tomorrow. We foundationally value 21st century skills as necessary building blocks to future success and have identified them as our student learner outcomes; faculty works explicitly to weave critical thinking, creativity, collaboration, communication, and global citizenship into daily lesson activities. Leland is also committed to helping students achieve balance between academics, extra curricular activities, and overall health and well-being.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School			District
	2015-16	2016-17	2017-18	2017-18
With Full Credential	68	72	78	1427
Without Full Credential	1	1	1	34
Teachers Teaching Outside Subject Area of Competence (with full credential)	1	1	0	11

Last updated: 1/24/2018

Teacher Misassignments and Vacant Teacher Positions

Indicator	2015-16	2016-17	2017-18
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

School Facility Conditions and Planned Improvements

In the summer of 2001, Leland received \$8,000,000 through Measure C Bond Funds for modernization, which included new heating and air conditioning in each classroom, roof repairs/replacement, and renovation to the electrical infra-structure. Leland Foundation raised \$1,600,000 for additional reconstruction of the Information and Technology Center, and upgrading technology infrastructure. Additional improvement for science classrooms, athletic fields, and the technology wing began in 2006 through Measure F Bond funds.

In the summer of 2008, Leland completed major modernization of 8 science classrooms, the kitchen, a new food court, the administration office, the sports complex, and the construction of a concession building. Stadium lights were installed and used during the 2008/2009 football, field hockey and soccer seasons. The installation of solar panels in the parking lots, were completed and became operational at the start of the 2008/09 school year. During the summer of 2009, the parking lots, access road and back basket court area were repaved. In the spring of 2010, the science room modernization was completed with the addition of Smart Boards in every classroom. Solar Panels were installed in the student and faculty parking lots.

During the summer of 2013, a major landscaping project was undertaken to beautify the front area of the school. The project included removing weeds, laying new groundcover, planting new plants, and establishing a drip-system for irrigation.

The school received a fresh coat of exterior paint in the summer of 2015. The interior walls of the gym were painted with school colors and graphics at the same time.

During the Fall of 2016, the Information and Technology Center was upgraded to expand academic counseling.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven (School Year 2016-17)

Subject	Percentage of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts / Literacy (grades 3-8 and 11)	80%	83%	54%	53%	48%	48%
Mathematics (grades 3-8 and 11)	75%	79%	42%	42%	36%	37%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Last updated: 1/8/2018

CAASPP Test Results in ELA by Student Group**Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	468	459	98.08%	83.22%
Male	250	245	98.00%	79.59%
Female	218	214	98.17%	87.38%
Black or African American	--	--	--	
American Indian or Alaska Native	--	--	--	
Asian	236	232	98.31%	93.97%
Filipino	--	--	--	
Hispanic or Latino	27	27	100.00%	51.85%
Native Hawaiian or Pacific Islander	--	--	--	
White	189	184	97.35%	75.54%
Two or More Races	--	--	--	
Socioeconomically Disadvantaged	39	38	97.44%	68.42%
English Learners	17	16	94.12%	31.25%
Students with Disabilities	21	21	100.00%	23.81%
Students Receiving Migrant Education Services				
Foster Youth				

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

All Students	468	458	97.86%	78.51%
Male	250	245	98.00%	78.19%
Female	218	213	97.71%	78.87%
Black or African American	--	--	--	--
American Indian or Alaska Native	--	--	--	--
Asian	236	232	98.31%	91.34%
Filipino	--	--	--	--
Hispanic or Latino	27	27	100.00%	44.44%
Native Hawaiian or Pacific Islander	--	--	--	--
White	189	183	96.83%	68.68%
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	39	38	97.44%	63.16%
English Learners	17	17	100.00%	58.82%
Students with Disabilities	21	20	95.24%	--
Students Receiving Migrant Education Services				
Foster Youth				

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Last updated: 1/8/2018

CAASPP Test Results in Science for All Students**Grades Five, Eight and Ten**

Subject	Percentage of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	79.0%	83.0%	57.0%	55.0%	56%	54%

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Career Technical Education Participation (School Year 2016-17)

Measure	CTE Program Participation
Number of Pupils Participating in CTE	605
Percent of Pupils Completing a CTE Program and Earning a High School Diploma	98.0%
Percent of CTE Courses Sequenced or Articulated Between the School and Institutions of Postsecondary Education	100.0%

Last updated: 12/18/2017

Courses for University of California (UC) and/or California State University (CSU) Admission

UC/CSU Course Measure	Percent
2016-17 Pupils Enrolled in Courses Required for UC/CSU Admission	97.2%
2015-16 Graduates Who Completed All Courses Required for UC/CSU Admission	74.9%

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percentage of Students Meeting Fitness Standards		
	Four of Six Fitness Standards	Five of Six Fitness Standards	Six of Six Fitness Standards
9	10.0%	31.5%	52.6%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Last updated: 1/8/2018

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement (School Year 2017-18)

Leland endeavors to communicate with the community and seeks input through multiple forums. Parents are invited to join School Site Council, School English Learner Advisory Council, and athletic and parent booster clubs. All these organizations hold monthly meetings attended by parents, staff members, and members of the administration. Parents are also invited to attend the monthly Principal's Chats. Upcoming events and important notifications are announced through the official school web site, phone and email messages, and push notifications through our downloadable app. An electronic newsletter is published on a bi-monthly basis and is an additional means of communication between the school and the community. Throughout the year, Leland offers informational sessions and workshops for students and parents on topics ranging from college requirements and applications, AP information, financial aid, and managing social-emotional stress.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School			District			State		
	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16
Dropout Rate	2.6%	2.6%	0.9%	7.1%	7.7%	6.4%	11.5%	10.7%	9.7%

School Safety Plan (School Year 2017-18)

Leland High School follows the comprehensive safety plan outlined by San Jose Unified. The plan consists of emergency response plans which include maps, responsibilities for different roles, locations of command posts, first aid, assembly and student release locations. There are a minimum of six drills each year--Run Hide Defend, Earthquake, Power Failure, Bomb Threat, and two Fire evacuation drills. Faculty is trained periodically at staff meetings, and the plan is reviewed and updated annually.

Types of Services Funded (Fiscal Year 2016-17)

To help students pursue a full range of post-secondary options, Leland has a Counseling and Resource Center staffed by a full time College and Career Tech and four fully credentialed Academic Counselors. In addition, Leland has an academic counselor through San Jose Unified's partnership with UC Berkeley Center for Educational Partnerships with a focus on supporting traditionally underserved students. Both counselors and the College and Career Technician assist students and parents with questions, issues, and activities involving career preparation and exploration. Leland also provides social emotional support for students by providing interns from Almaden Valley Counseling on campus five days a week. Incoming ninth grade students who are deemed academically unprepared based on previous test scores and school performance are enrolled in support classes for math and English, and we have an after school Homework Center and Peer Tutoring Program for students to receive extra help. Additionally, our bell schedule has a built in tutorial period for students to access their teachers for support, complete homework, or make up tests. Support is also available for students who are served through a 504 or IEP. Students supported by Section 504 are offered a meeting at least once a year where accommodations are reviewed by the student's teachers and the Assistant Principal of Guidance. Students who are supported with IEPs through special education are assigned a case manager who oversees their academic progress. Leland's hosts special education programs for RSP, ED, and Autism.

Professional Development

Professional Development for the 2015-16, 2016-17, and 2017-18 school years has been focused on Leland's instructional Framework, specifically phases of Explicit Direct Instruction. Teachers were trained as a whole staff, while math and English teachers also attended specific workshops. With the support of site and district coaches, Leland has collected data through progress monitoring and shared results with Curriculum Council and departments to analyze focus areas. Additionally, Leland teachers have participated in Peer Observation rounds to observe phases of instruction in order to build capacity. In 2017-18, professional development of the framework is being supplemented with training on differentiation within the framework.
