

# Williams Elementary

## California Department of Education School Accountability Report Card Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### Dr. Devin Blizzard, Principal

Principal, Williams Elementary

#### About Our School

Williams is a highly engaging, safe and clean learning environment. Parents support the collegial efforts of staff and are active partners in education. Research based best practices support student learning. Together, we invest in the development of students who are academically, socially, and emotionally prepared to thrive in a changing 21st century society. LIFESKILLS and Project Cornerstone's Developmental Assets promote positive social and emotional growth. Teachers collaboratively plan high quality lessons aligned to the California State Standards. Technology dynamically supports Language Arts and Mathematics at all grades. SMART Board technology and web hosted instructional resources are pervasive across campus. Student achievement data in reading, writing, and math inform our classroom instruction and strategic planning. Differentiated lessons enable all students access to the core curriculum. On-line resources including Achieve 3000 (Reading), ORIGO Mathematics Curriculum, Dream Box (Mathematics) compliment classroom instruction. Hands-on learning includes Motor Perception Classes, Science Labs, Computer Labs, Music, and Visual Arts. Co-curricular programming includes before and after school enrichment classes that engage students in code writing, advanced mathematics competition teams (e.g. Math Olympiad), geography bee teams, orchestra, choir, FIRST LEGO League Robotics, Girl & Boy Scouts.

#### Principal's Experience:

Devin Blizzard has been the principal at Williams since 2013. His leadership experiences include principalships at the elementary, middle school, and high school levels in California's Silicon Valley and Central Valley regions including Los Alamitos Elementary (SJUSD) where he served from 1998-2002. Dr. Blizzard holds a Bachelor of Arts degree from UC Irvine, Masters Degrees from CSU Long Beach and San Jose State Universities, and a Doctorate in Educational Leadership from Fresno State University. Dr. Blizzard has served as a James Irvine New Leadership Network Member, Grundfos Group Partner, CEO at the Center for Advanced Research and Technology, and a FIRST Sr. Mentor. He is the Co-Founder of the San Jose Unified Robotics Project and Founder of Central Valley Robotics Project.

## School Description and Mission Statement (School Year 2017-18)

### A Unique Learning Community:

Williams Elementary School is a highly engaging, safe, and clean learning environment. We are committed to preparing today's students to be the thinkers, leaders, and creators of tomorrow. Parents and the extended community support and respect the collegial efforts of staff in using research based best practices that support the learning of all students. Together we invest in the development of students who are academically, socially, and emotionally prepared to thrive in a changing 21st century society.

Williams Elementary School provides opportunities for all parents to participate within the school community, and incorporates the principles of LIFESKILLS and Project Cornerstone's developmental assets to provide an environment of positive social and emotional growth for all students. These principles provide a safe environment where students can continue to develop academic excellence and mutual respect, collaboratively analyze student achievement data in reading, writing, and math to drive instruction that creates strategic lessons to meet the diverse needs of all students, prepare strong readers, critical thinkers, proficient writers, and analytical problem solvers, and provide an excellent learning environment with high, 21st Century academic expectations for all students and staff.

Williams Elementary School, located in San Jose's Almaden Valley, is the southern-most school in San José Unified School District. Although it is not a requirement, since the school's reopening in 1992, there has been a proud tradition that parents volunteer 40 hours or more per year. Williams was the first uniform school in the district and its policy is still in effect. In addition to supporting community involvement and parent education, the Williams WINS Foundation leads the fund-raising efforts of the school to provide additional programs to enrich and enhance the academic success of students.

To promote a sense of community, Williams' students, staff, and families gather together to begin the day for flag salute. The Williams community Yahoo Group, Facebook pages, and Twitter along with a voluntary online family directory (which includes names, addresses, phone numbers and e-mail addresses) fosters networking among the many volunteers that contributes to creating a cohesive school community.

### School Accomplishments:

- A National Blue Ribbon School of Excellence
- A California Distinguished School 2013
- Student Achievement Scores consistently place Williams among the top .5% of all schools in CA. Science Scores, ELA, and Mathematics scores are among the highest in CA with the majority of students earning "Advanced" scores.

- Williams teachers actively contributed to develop SJUSD Common Core Curriculum
- Math Olympiad Highest Team Score 2014, 2017
- FIRST LEGO League Robotics First Place Regional Honors
- THE TECH Museum Challenge Award Winners 2014
- Williams volunteers donated over 40,000 hours annually
- Over 2,500 people participate each spring in Heritage Day celebration of our multi-cultural origins WINS Foundation raised over \$300,000 to support Technology, Safe Playgrounds, Arts Education, and all Classrooms 2016-2017

#### **School Goals from Site SPSA:**

#### **LANGUAGE ARTS:**

By June 7, 2018, a minimum of 88% of all students in TK, K, 1st, and 2nd grades will score above expectations as demonstrated by the CPAA.

#### **MATHEMATICS:**

By June 7, 2018, in the area of Mathematics, a minimum of 70% of all students in TK-2 will score above expectations as demonstrated by the CPAA.

#### **ENGLISH LANGUAGE LEARNERS:**

By June 2017, a minimum of 80% of Annual Measurable Achievement Objectives 1 (AMA01) K-5 students will increase one proficiency level as measured by the CELDT and minimum of 25% of AMAO 2 students will attain proficiency on CELDT.

By June 2017, 50% of Williams students eligible for reclassification will be reclassified.

#### **SCHOOL CLIMATE:**

By June 7, 2018 90% or more of parents will rate the school with a grade of A or B AND 90% or more of the staff will rate the school as an A or B.

By June 7, 2018 80% or more of students in grades 3, 4, and 5 will rate the school as a Safe Environment. 40% or more rate that they enjoy learning. 75% of students in grades 3, 4, 5 will rate quality learning environment as high.

#### **Progress Indicators & Monitoring:**

All students at Williams, including Transitional Kindergarten participate in adaptive on-line learning and assessments including Children's Progress (CPAA), LEXIA Learning (English Language Arts), Dream Box (Mathematics), Achieve 3000 (Non-Fiction Reading and Analysis), and Smarter Balanced (SBAC) assessments in grades 3-5. Additionally all grades participate in SJUSD Writing Performance Assessments and Math Performance Assessments. The results of these assessments assist our team to formatively adjust instruction to meet the learning needs of each student and prescribe intervention (in and out of classroom) when needed. Additionally, teacher teams and the principal analyze year-long data and annual data (SBAC) closely. The outcome of these dynamic multi-faceted analyses become the foundation from which our Williams staff professional learning is constructed.

**Professional Learning:**

Professional learning is embedded into the daily practice of the Williams Instructional team. Tuesday afternoons frequently are devoted to staff learning as are designated SJUSD professional learning days. Grade level teams collaboratively plan rigorous lessons that are taught utilizing teaching best practices to engage students cognitively in analysis, problem solving, and application of their learning to real world scenarios. Real world relevancy and cognition ("Thinking a Loud, often), and collaborative problem solving are at the core of what we expect from all students. High expectations are paired with high levels of strategic support. Staff learning centers about high quality lesson delivery utilizing core curricular resources including ORIGO Mathematics and Lucy Calkins Writers Workshop models. Extensions are built into lessons in order to add additional levels of challenge for students needing extra rigor. Supports are designed into our lessons for English Language Learners and below grade level students when necessary.

The San Jose Unified District annually conducts professional development with all teachers in the area of Direct Instruction. There was a pre-service training and 2 Staff Development Days last year to refine our instruction around the scope and sequence for both ELA and Mathematics

Our site principal and nominated teacher leaders are actively engaged in on-going professional learning and collaboration with the San Jose Unified Curriculum and Instruction Department. For example, six Williams teacher representatives in the areas of English Language Development, Mathematics, and English Language Arts met monthly in 13-14 with job-alike cohorts last year to develop Common Core Scope and Sequence (CCSS) in these academic areas. Two Williams teachers, additionally, worked with SJUSD at the district level to build CCSS Assessments. Presently one Williams teacher serves on the SJUSD Curriculum Council.

The Williams school-wide goal was implementation of the Common Core Scope and Sequence for Mathematics during 2016-2017 and English Language Arts for 2014-2016. To accomplish these goals our teachers and principal received 1:1 coaching and our curriculum development is accomplished with the guidance of a full-time curriculum coach.

**School Wide Programs:**

Outside of the academic school day students may opt to participate at Williams Campus in:

- Mathematic Competition Teams
- Geography Bee
- Science Fair
- Mathematics Olympiad
- Orchestral Music
- Choral Music
- Programming Club
- Newsletter Club
- FIRST LEGO League Robotics
- Boy Scouts of America
- Girl Scouts of America
- Girls on the Run (Fitness Running Club)
- Summer Writing Camp

- Summer Visual Arts Classes

### Student Enrollment by Grade Level (School Year 2016-17)

Grade Level	Number of Students
Kindergarten	110
Grade 1	89
Grade 2	99
Grade 3	127
Grade 4	115
Grade 5	135
<b>Total Enrollment</b>	<b>675</b>

Last updated: 12/7/2017

### Student Enrollment by Student Group (School Year 2016-17)

Student Group	Percent of Total Enrollment
Black or African American	0.9 %
American Indian or Alaska Native	0.0 %
Asian	48.4 %
Filipino	1.0 %
Hispanic or Latino	6.8 %
Native Hawaiian or Pacific Islander	0.1 %
White	33.6 %
Two or More Races	9.0 %
Other	0.2 %
Student Group (Other)	Percent of Total Enrollment
Socioeconomically Disadvantaged	3.7 %
English Learners	5.6 %
Students with Disabilities	7.7 %
Foster Youth	0.0 %

Last updated: 12/7/2017

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

#### Teacher Credentials

Teachers	School			District
	2015-16	2016-17	2017-18	2017-18
With Full Credential	24	27	26	1427
Without Full Credential	0	0	1	34
Teachers Teaching Outside Subject Area of Competence (with full credential)	0	0	0	11

Last updated: 1/24/2018

#### Teacher Misassignments and Vacant Teacher Positions

Indicator	2015-16	2016-17	2017-18
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## School Facility Conditions and Planned Improvements

The exterior of all buildings were painted in July 2012. The interior of the office was painted in August 2012. Williams Elementary was originally built in 1967. It was reopened in September 1992. During the summer of 2001, Williams began a school modernization project with Measure C Bond money. The renovations included a new roof, changes in wiring, and electrical layout needed to accommodate computers and other technology. New paint and carpets, an updated security system, a new bell system, and new furniture for the administration building also were included in the 2001 project. Our blacktop was resurfaced during the summer of 2002. During the summer of 2004, fully plumbed sinks were installed in all our portable classrooms. In 2007, our field was refurbished, our kitchen was updated, and new cabinetry was constructed in the core areas, kindergarten classrooms, and the library. Additional outdoor lighting was installed and the parking lots were resurfaced and restriped. New additional portables were also brought on campus to accommodate the increase in student enrollment. We have a full-time day custodian and a night custodial crew that complete a scheduled cleaning process for the classrooms, restrooms, and grounds. The WINS Beautification Committee maintains our garden, seasonal planting and cleanup of the landscape, and refurbished the school sign in 2008.

The facilities are inspected annually and preventive maintenance is performed by the SJUSD. Our last preventive maintenance round was spring of 2016.

Construction of Solar Panel Arrays will be completed in the spring of 2017. These structures will generate energy and, additionally, provide playground shade for students.

## School Facility Good Repair Status

Year and month of the most recent FIT report: September 2017

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/Doors/Gates/Fences	Good	

## Overall Facility Rate

Year and month of the most recent FIT report: September 2017

Overall Rating	Exemplary
----------------	-----------

*Last updated: 1/5/2018*

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in ELA and Mathematics for All Students

##### Grades Three through Eight and Grade Eleven (School Year 2016-17)

Subject	Percentage of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts / Literacy (grades 3-8 and 11)	93%	93%	54%	53%	48%	48%
Mathematics (grades 3-8 and 11)	88%	88%	42%	42%	36%	37%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

*Last updated: 1/10/2018*

**CAASPP Test Results in ELA by Student Group****Grades Three through Eight and Grade Eleven (School Year 2016-17)**

<b>Student Group</b>	<b>Total Enrollment</b>	<b>Number Tested</b>	<b>Percent Tested</b>	<b>Percent Met or Exceeded</b>
All Students	385	375	97.40%	92.53%
Male	192	186	96.88%	91.40%
Female	193	189	97.93%	93.65%
Black or African American	--	--	--	
American Indian or Alaska Native				
Asian	194	188	96.91%	95.21%
Filipino	--	--	--	
Hispanic or Latino	22	22	100.00%	90.91%
Native Hawaiian or Pacific Islander	--	--	--	
White	125	123	98.40%	88.62%
Two or More Races	36	36	100.00%	94.44%
Socioeconomically Disadvantaged	12		91.67%	81.82%
English Learners	80	72	90.00%	86.11%
Students with Disabilities	43	43	100.00%	74.42%
Students Receiving Migrant Education Services				
Foster Youth				

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

*Last updated: 1/10/2018*

**CAASPP Test Results in Mathematics by Student Group****Grades Three through Eight and Grade Eleven (School Year 2016-17)**

<b>Student Group</b>	<b>Total Enrollment</b>	<b>Number Tested</b>	<b>Percent Tested</b>	<b>Percent Met or Exceeded</b>
All Students	385	377	97.92%	87.53%
Male	192	186	96.88%	90.86%
Female	193	191	98.96%	84.29%
Black or African American	--	--	--	
American Indian or Alaska Native				
Asian	194	188	96.91%	93.62%
Filipino	--	--	--	
Hispanic or Latino	22	22	100.00%	63.64%
Native Hawaiian or Pacific Islander	--	--	--	
White	125	124	99.20%	81.45%
Two or More Races	36	36	100.00%	88.89%
Socioeconomically Disadvantaged	12		91.67%	81.82%
English Learners	80	74	92.50%	82.43%
Students with Disabilities	43	43	100.00%	72.09%
Students Receiving Migrant Education Services				
Foster Youth				

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

*Last updated: 1/10/2018*

**CAASPP Test Results in Science for All Students****Grades Five, Eight and Ten**

Subject	Percentage of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	96.0%	94.0%	57.0%	55.0%	56%	54%

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

*Last updated: 1/10/2018*

# State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

## California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percentage of Students Meeting Fitness Standards		
	Four of Six Fitness Standards	Five of Six Fitness Standards	Six of Six Fitness Standards
5	20.0%	37.1%	32.1%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Last updated: 1/10/2018

## C. Engagement

# State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

### Opportunities for Parental Involvement (School Year 2017-18)

---

Parents volunteer daily in their children's classrooms grades TK, K, 1st. Parents are on campus as classroom volunteers as arranged by sign-ups across other grade levels. All volunteers are screened through the SJUSD Central Office Human Resources Department. Parents may support the school's many co-curricular events through membership in the Williams WINS parent partner organization. Williams maintains an active School Site Council and English Language Advisory Council.

For more information about parent volunteer opportunities please contact Williams Elementary at (408) 535-6196

Parents may be alerted to all upcoming school events through monitoring the Williams Elementary Web page, the site Facebook, and Principal's Twitter Feed. Additionally, the school's parent partner organization Williams WINS hosts a Yahoo Group and web page [www.williamscommunity.com](http://www.williamscommunity.com).

## School Safety Plan (School Year 2017-18)

The School Site Safety Plan was last reviewed on 12/4/2017. It was discussed with 100% of school staff on 12/3/17.

The School Safety Plan contains information outlining our response to emergencies including:

- Fire
- Dangerous Intruder (Run , Hide , Defend Drill)
- Earthquake
- Power Outage
- Bomb Threat Evacuation

Key elements of the plan include evacuation procedures, designation of staff into search & rescue, security, triage, and first aid roles. It also outlines and ensures for the provision of emergency response supplies including food rations, water rations, rain protection, tools, emergency radios, emergency student rosters, and clearly defined and understood evacuation routes posted in every site classroom and public space.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Federal Intervention Program (School Year 2017-18)

Indicator	School	District
Program Improvement Status		In PI
First Year of Program Improvement		2009-2010
Year in Program Improvement		Year 3
Number of Schools Currently in Program Improvement	N/A	16
Percent of Schools Currently in Program Improvement	N/A	61.5%

*Last updated: 1/25/2018*

### Average Class Size and Class Size Distribution (Elementary)

Grade Level	2014-15				2015-16				2016-17			
	Average Class Size	Number of Classes *			Average Class Size	Number of Classes *			Average Class Size	Number of Classes *		
		1-20	21-32	33+		1-20	21-32	33+		1-20	21-32	33+
K	19.0	2	4	0	29.0	0	4	0	28.0	0	4	0
1	30.0	0	3	0	29.0	0	3	0	30.0	0	3	0
2	30.0	0	3	0	30.0	0	4	0	21.0	1	3	0
3	30.0	0	5	0	30.0	0	3	0	29.0	0	5	0
4	31.0	0	3	0	31.0	0	5	0	29.0	0	4	0
5	31.0	0	5	0	31.0	0	4	0	27.0	0	5	0
6	0.0	0	0	0	0.0	0	0	0	0.0	0	0	0
Other	0.0	0	0	0	10.0	1	0	0	12.0	1	0	0

\* Number of classes indicates how many classes fall into each size category (a range of total students per class).

*Last updated: 1/25/2018*

**Average Class Size and Class Size Distribution (Secondary)**

Subject	2014-15			2015-16			2016-17					
	Average Class Size	Number of Classes *			Average Class Size	Number of Classes *			Average Class Size	Number of Classes *		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+
English												
Mathematics												
Science												
Social Science												

\* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

**Academic Counselors and Other Support Staff (School Year 2016-17)**

Title	Number of FTE* Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	0.0	0.0
Counselor (Social/Behavioral or Career Development)	0.1	N/A
Library Media Teacher (Librarian)	0.0	N/A
Library Media Services Staff (Paraprofessional)	0.3	N/A
Psychologist	0.4	N/A
Social Worker	0.0	N/A
Nurse	0.5	N/A
Speech/Language/Hearing Specialist	1.0	N/A
Resource Specialist (non-teaching)	2.5	N/A
Other	0.1	N/A

Note: Cells with N/A values do not require data.

\*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

## Types of Services Funded (Fiscal Year 2016-17)

### GATE

All 2nd grade students are screened for the Gifted and Talented Education program using the Ravens 3 Matrix. Curriculum is differentiated at all grades within the core program to provide all students opportunities for more challenging work. Hands-on projects also allow students to explore topics at greater depth and complexity. Teachers in all grade levels have been involved in intensive staff development activities focused on Dr. Sandra Kaplan's Depth and Complexity Thinking Tools. One teacher in each grade level has attended the CAG Summer Institute and, as a team, presents ongoing staff development on differentiation. We also offer parent-sponsored GATE enrichment programs before and after school. Robotics, Math Olympiad, Geography Bee, and Speech & Debate are offered. Also Summer Institute for the Gifted is offered on our campus during the summer. SIG is a program of the National Society for the Gifted and Talented.

### Special Ed

Special needs students who qualify for services are on an IEP and their progress is monitored by the Resource Specialist and/or Speech and Language Teacher.

### At-Risk Students

At-risk students are identified as early as possible and immediately become part of the Student Success Team (SST) process. Participation in our reading intervention program, LEXIA, and Achieve 3000 instructional interventions are recommended to these students' parents. Adaptive learning programs, Lexia (Language Arts) and Dream Box (Math) are also part of the school curriculum.

### English Language Learners

Williams is a Structured English Instruction (SEI) school where English language development is provided by the classroom teacher. In addition to the yearly CELDT assessment, ongoing assessments by the classroom teacher enable instruction to be tailored to meet the needs of the English Learners by providing a full and balanced core curriculum in English. Students also receive additional English Language Development, based on need. All 1st & 2nd grade students and newcomers to the USA participate in Imagine Learning, adaptive learning program, to aid in language development.

### Students with Disabilities

These students are fully included to the extent their IEP or 504 plan will allow.

### Before & After-School Programs

Williams has a variety of after school programs including Technology Club, Chess Club, Science, Book Clubs, Children's Playhouse, Scouts, Yearbook Club, Student Newspaper, Student Council, Kids Club, Technology Club, GATE Math, Art, Speech & Debate, Beginning & Intermediate Instrumental Music, Choir, Piano Keyboarding, Social Skills, Flag Football, Math Olympiad, Study Skills, Math Problem Solving, FIRST LEGO Robotics. Summer Sports Camp, and Summer Writing Camp.

### Tutoring

Student support is provided by certificated teachers through both in-classroom and outside classroom small group reading support. These teachers include a primary reading specialist, and upper grade reading specialist, and an English language development teacher. Learning support is provided through strategic application of curriculum including LEXIA, Reading A-Z, LearnZillion, and Achieve 3000 Reading

### Teacher and Administrative Salaries (Fiscal Year 2015-16)

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$53,358	\$47,808
Mid-Range Teacher Salary	\$77,532	\$73,555
Highest Teacher Salary	\$93,642	\$95,850
Average Principal Salary (Elementary)	\$103,741	\$120,448
Average Principal Salary (Middle)	\$108,855	\$125,592
Average Principal Salary (High)	\$117,012	\$138,175
Superintendent Salary	\$263,799	\$264,457
Percent of Budget for Teacher Salaries	33.0%	35.0%
Percent of Budget for Administrative Salaries	5.0%	5.0%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

**Professional Development**

Professional learning is embedded into the daily practice of the Williams Instructional team. Tuesday afternoons frequently are devoted to staff learning as are designated SJUSD professional learning days. Grade level teams collaboratively plan rigorous lessons that are taught utilizing teaching best practices to engage students cognitively in analysis, problem solving, and application of their learning to real world scenarios. Real world relevancy and cognition ("Thinking a Loud, often), and collaborative problem solving are at the core of what we expect from all students. High expectations are paired with high levels of strategic support. Staff learning centers about high quality lesson delivery utilizing core curricular resources including ORIGO Mathematics and Lucy Calkins Writers Workshop models. Extensions are built into lessons in order to add additional levels of challenge for students needing extra rigor. Supports are designed into our lessons for English Language Learners and below grade level students when necessary.

Our site principal and nominated teacher leaders are actively engaged in on-going professional learning and collaboration with the San Jose Unified Curriculum and Instruction Department. For example, six Williams teacher representatives in the areas of English Language Development, Mathematics, and English Language Arts met monthly in 13-14 with job-alike cohorts last year to develop Common Core Scope and Sequence (CCSS) in these academic areas. Two Williams teachers, additionally, worked with SJUSD at the district level to build CCSS Assessments. Presently one Williams teacher serves on the SJUSD Curriculum Council. The Williams school-wide goal was implementation of the Common Core Scope and Sequence for Mathematics during 2015-2016 and English Language Arts for 2014-2016. To accomplish this goal our teachers and principal received 1:1 coaching and our curriculum development is accomplished with the guidance of a fulltime curriculum coach. Historically, the Williams leadership team has visited similar schools to observe best practices. From those visits, the team recommended that the focus of our professional development be Writers Workshop. Four teachers, trained in the program, led the professional development with the entire staff. The District also conducted professional development with all teachers in the area of Direct Instruction. There was a pre-service training and 2 Staff Development Days last year.

Student Learning Outcomes Data is used to inform Professional Growth:

All students at Williams, including Transitional Kindergarten participate in adaptive on-line learning and assessments including Children's Progress (CPAA), LEXIA Learning (English Language Arts), Dream Box (Mathematics), Achieve 3000 (Non-Fiction Reading and Analysis), and Smarter Balanced (SBAC) assessments in grades 3-5. Additionally all grades participate in SJUSD Writing Performance Assessments and Math Performance Assessments. The results of these assessments assist our team to formatively adjust instruction to meet the learning needs of each student and prescribe intervention (in and out of classroom) when needed. Additionally, teacher teams and the principal analyze year-long data and annual data (SBAC) closely. The outcome of these dynamic multi-faceted analyses become the foundation from which our Williams staff professional learning is constructed.
