California Department of Education School Accountability Report Card Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Ms. Tina VanLaarhoven, Principal

Principal, Bret Harte Middle

About Our School

A National Blue Ribbon School, Bret Harte is a learning community that motivates and supports all students to achieve at the highest levels. With a strong foundation of skills, students learn to formulate and express ideas through writing, speaking, and various media. Our goal is to produce creative and critical thinkers who make a positive contribution to our community. All teachers participate in staff development training to analyze assessment data and develop effective instructional strategies. Bret Harte is a place where kids are loved and where kids love to learn. In partnership with our parent community, a staff of caring and competent professionals provides a structured and sequential program rich in basic and advanced math, literature, science, history, geography, technology, and the arts. Bret Harte Community Club helps to fund our Video Production studio, Project Lead the Way robotics and our engineering lab. Booster Club also provides funding and leadership for our clubs and sports programs which provide a real life venue to develop life skills. Maintaining a balance between academic success and social emotional well-being is important to our staff and community. Learning the importance of honesty, respect and responsibility is part of learning how to have a "Bronco Attitude". We work together to provide life long learning for all members of our community.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven (School Year 2016-17)

Subject	Percentage of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts / Literacy (grades 3-8 and 11)	79%	78%	54%	53%	48%	48%
Mathematics (grades 3-8 and 11)	78%	78%	42%	42%	36%	37%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Last updated: 1/5/2018

CAASPP Test Results in ELA by Student Group**Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	1216	1194	98.19%	78.31%
Male	643	628	97.67%	75.64%
Female	573	566	98.78%	81.27%
Black or African American	--	--	--	
American Indian or Alaska Native	--	--	--	
Asian	543	536	98.71%	92.72%
Filipino	12	12	100.00%	66.67%
Hispanic or Latino	187	184	98.40%	42.39%
Native Hawaiian or Pacific Islander	--	--	--	
White	384	374	97.40%	75.94%
Two or More Races	69	67	97.10%	82.09%
Socioeconomically Disadvantaged	166	162	97.59%	40.74%
English Learners	206	198	96.12%	53.54%
Students with Disabilities	84	82	97.62%	25.61%
Students Receiving Migrant Education Services				
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Mathematics by Student Group**Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	1216	1201	98.77%	77.69%
Male	643	633	98.44%	78.67%
Female	573	568	99.13%	76.58%
Black or African American	--	--	--	
American Indian or Alaska Native	--	--	--	
Asian	543	539	99.26%	94.06%
Filipino	12	12	100.00%	66.67%
Hispanic or Latino	187	184	98.40%	36.41%
Native Hawaiian or Pacific Islander	--	--	--	
White	384	379	98.70%	74.67%
Two or More Races	69	67	97.10%	83.58%
Socioeconomically Disadvantaged	166	163	98.19%	36.20%
English Learners	206	204	99.03%	56.37%
Students with Disabilities	84	82	97.62%	24.39%
Students Receiving Migrant Education Services				
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students**Grades Five, Eight and Ten**

Subject	Percentage of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	86.0%	87.0%	57.0%	55.0%	56%	54%

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.
