School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Emerson is one of eleven elementary schools in the Burbank Unified School District. We encourage the cooperative involvement of school staff, parents and students in order to create the optimum conditions in which all students can achieve. The goals of the school are:

- 1) Provide effective instruction driven by annual data analysis
- 2) Offer a variety of powerful strategies and programs to meet student needs
- 3) Provide a positive learning environment that promotes high academic achievement and social responsibility of our diverse student population.

It is our mission to provide an environment where children work at a high level of success and yet are challenged to grow. We recognize the advantages of active parent involvement and encourage parent and community participation to improve our learning conditions. We believe that children are not things to be molded but people to be unfolded and that they will want to learn in our nurturing environment.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

School Facility Conditions and Planned Improvements (Most Recent Year)

The facility is in Good repair. Normal maintenance and upkeep is being performed. No improvement project(s) are scheduled at this time. The District takes great efforts to ensure that all of its schools are clean, safe, and functional. To assist in this effort, the District uses the “Facility Inspection Tool” (FIT) developed by the State of California Office of Public School Construction. Deficiencies noted are referred to Facilities Services and/or the site for immediate correction. To review the complete results of this survey please visit Administrative Services at the District Administration Building.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: Jan 2020

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19

Mathematics (grades 3-8 and 11)	58	58	50	51	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

The Emerson PTA coordinates a wide variety of opportunities for parental involvement through monthly meetings, class projects and school wide events. Parents are involved in school advisory boards such as School Site Council and English Learner Advisory Council. Furthermore, Back to School Night and Open House provide families with an opportunity to learn about instruction, educational strategies, class policies and procedures plus student behavior expectations. In addition, the school offers parent education evenings throughout the year to support parents in assisting their children with literacy and math skills as well as online programs students have access including Go Math!, Benchmark Advanced, and iReady.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

School Safety Plan (School Year 2019-20)

Emerson Elementary School has developed a comprehensive school safety plan with two main components:

Component One: People and Programs - Create a “caring and connected” school climate.

Objective 1.1 Promote appropriate student behavior in classrooms and on the play yard by reinforcing Peacebuilders and Peaceful Playground programs.

Objective 1.2 Provide on going, grade appropriate education and training of ‘personal responsibility’ for students with regard to safety, health, solving conflict, respect for property and environment.

Objective 1.3 Provide on-going parent involvement with home/school communications.

Component two: Physical Environment - Create a physical environment that communicates respect for learning and for the individuals.

Objective 2.1 Continue mediating traffic congestion during drop-off and pick-up times.

Objective 2.2 Improve schoolwide safety by establishing additional security precautions.

Objective 2.3 Promote a secure campus by publishing reporting procedures for neighbors and parents.
