School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2017-18	School 2018-19	School 2019-20	District 2019-20
With Full Credential	20	20	20	702
Without Full Credential	0	0	0	5
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

Teacher Misassignments and Vacant Teacher Positions

Indicator	2017-18	2018-19	2019-20
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: January 2017

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school; whether the textbooks and instructional materials are from the most recent adoption (yes/no); and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

School Facility Conditions and Planned Improvements (Most Recent Year)

The facility is in Good repair. Normal maintenance and upkeep is being performed. The exterior of the campus was repainted and the Play Area was repaved and striped.. No improvement project(s) are scheduled at this time. The District takes great efforts to ensure that all of its schools are clean, safe, and functional. To assist in this effort, the District uses the "Facility Inspection Tool" (FIT) developed by the State of California Office of Public School Construction. Deficiencies noted are referred to Facilities Services and/or the site for immediate correction. To review the complete results of this survey please visit Administrative Services at the District Administration Building.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: 12/18/19

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19

Mathematics (grades 3-8 and 11)	52	56	50	51	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

The Providencia PTA and Fundraising Committee coordinate and encourage a wide variety of opportunities for parental involvement through monthly meetings and school-wide events. Parents are encouraged to participate in the many annual events held at school including, Donuts with Dad/Muffins with Mom, the Fall Community Read-in, Book Fairs, Harvest Festival, Spring Carnival, Dr. Seuss' Birthday Celebration, Jog A Thon, Talent Show, Art Gallery Night, Concerts, Family Picnics, and Parent Education Nights. In addition, Providencia welcomes and encourages classroom volunteers to work with students and attend field trips as chaperones. Monthly, parents are invited to our school-wide Spirit Assembly and Coffee with Culbertson. Parents receive regular, weekly communication both by telephone and email to make sure that all community members are informed about upcoming events and opportunities for involvement. We truly have an open door policy at Providencia and welcome the presence and involvement of parents on a regular basis.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

Providencia's Safe School Plan addresses the following goals on an ongoing basis:

1. To provide a safe and secure learning environment where students will achieve at their maximum potential and become effective citizens: and,
2. To promote and maintain a caring and connected school community where all stakeholders are safe and secure.

Under each goal, appropriate activities are identified and implemented. For example, under Goal 1, the following are implemented:

1. All campus guests will wear a visitor's badge.
2. School gates will be locked at all times.
3. Students will travel with a buddy when they leave a classroom.
4. All yard-duty personnel will wear colored vests all the time while they are supervising students on the playground. They will also be equipped with radios to communicate quickly with the front office.
5. Providencia will maintain the "Safe Delivery Valet Program".

Under Goal 2, the following examples are implemented:

1. Review the goals and objectives of the Safety Plan with school personnel, School Site Council, and English Learner Advisory Committee (ELAC).
2. Foster a sense of school community through monthly “Classroom Buddies” activities.
3. Train new teachers in our schoolwide Positive Behavior Intervention Support (PBIS) Plan and PeaceBuilders Program.
4. Acknowledge students positive efforts and behaviors via weekly PBIS and PeaceBuilders Praise Slip Drawings.

In implementing the appropriate strategies and programs, Providencia provides a high level of school safety. Additionally, the Burbank Police Department has assigned a School Resource Officer to provide service and assistance to parents and staff on an “as needed” basis.

On December 9, 2019 Providencia's School Site Council/Safety Committee approved the Safe School Plan. On January 14, 2020 the Safe School Plan was presented at a public meeting. In addition to the ongoing goals mentioned above, this year we will focus on the following two goals:

1. We need to decrease the amount of tardies and unexcused absences, while focusing on the students who are at risk of being chronically absent. We hope this focus will lead to a 10% reduction in the number of students who are chronically absent.
2. To increase student and staff safety on campus and the surrounding areas during normal school days and during emergency situations (earthquake, active shooter, shelter in place).
